

Bernard Vaudaux studied medicine at the University of Geneva, Switzerland, and trained in general pediatrics as well as pediatric infectious diseases at Children's Hospital of Michigan (Wayne State University, Detroit, Michigan). He has worked in laboratory and clinical medicine, both in the inpatient and outpatient setting, in the private as well as in the public sector. A former head of the Unit of Pediatric Infectious Diseases at the University Hospital in Lausanne, Switzerland, and a former member of the Swiss Vaccination Board, he is presently retired. He has been acting as an InfoVac expert since the program started in 2000.
